NAMES AND MEANING ESPECIALLY IN SHAKESPEARE

Grant Smith

WELCOME ADDRESS

AURELIA SOLE (Rettrice, Università della Basilicata)
FRANCESCO PANARELLI (Direttore del Dip. di Scienze Umane)

Grant W. Smith

Professor of English and Coordinator of Humanities
at Eastern Washington University

NAMES AND MEANING *ESPECIALLY* *IN SHAKESPEARE*

The purpose of this lecture is twofold: 1) to demonstrate the potentiality of *symbolic* meaning in all names and 2) to show that Shakespeare's names had *symbolic* meanings that were clear to people of his time. Grammatically speaking, names are commonly discussed as fixed, *indexical* designations of individual referents. However, our use of language is fundamentally *symbolic*; an act of reference is the quintessential use of language; and the *symbolic* meanings of names can often be seen in the figurative language of imaginative literature.
